ARTICLE 2: WHEN THESE CONDITIONS APPLY

2.1 GENERAL

2.1.1 Except as provided in Articles 2.2 to 2.6, these Conditions of Carriage apply to all transportation of passengers and Baggage that we perform for compensation or that other Carriers or companies perform on our behalf.

2.1.2 These Conditions of Carriage also apply to gratuitous and reduced fare carriage except to the extent that we have provided otherwise in our Regulations or in the relevant contracts, passes or Tickets for such carriage.

2.2 CARRIAGE TO/FROM CANADA AND THE USA

2.2.1 Carriage to/from Canada

These Conditions of Carriage apply to carriage between places in Canada or between a place in Canada and any place outside Canada, only to the extent they are incorporated in tariffs in force in Canada.

2.2.2 Carriage to/from the USA

These Conditions of Carriage will apply to carriage between a place outside the USA, and/or between places within the USA, only if they have been incorporated in tariffs in force in the USA.

2.3 CHARTERS

If carriage is performed pursuant to a charter agreement, these Conditions of Carriage shall apply only to the extent provided in the charter agreement and the charter ticket. Where there are no charter regulations applicable, these Conditions of Carriage shall apply to such Carriage in so far as they are not excluded by or inconsistent with the terms of the charter agreement and the charter ticket. By accepting the carriage pursuant to a charter agreement, whether or not concluded with the passenger, the passenger agrees to be bound by the applicable provisions of such agreement.

2.4 CODE SHARES

2.4.1 On some services we have arrangements with other Carriers known as "Code Shares". This means that even if you have a reservation with us and hold a Ticket where our name or Airline Designator Code is indicated as the Carrier, another Carrier may operate the aircraft. In such cases, where there is any difference between our Conditions of Carriage and those of the Operating Carrier, the latter will prevail. If such arrangements apply we will advise you of the Carrier operating the aircraft when you are making a reservation or, if the identity of the Operating Carrier is not yet known at the time of reservation, ensure that you are informed of the same as soon as such an identity is established.

2.5 OVERRIDING LAW

To the extent that any provision contained or referred to in these Conditions of Carriage is contrary to anything contained in the Convention, where applicable, or the Code, or any applicable laws, government regulations, orders or requirements that cannot be waived by agreement of the parties, such provisions will not apply. The invalidity of any provision shall not affect the validity of any other provisions which remain valid.

2.6 CONDITIONS OF CARRIAGE PREVAIL OVER REGULATIONS

Except as provided in these Conditions of Carriage, in the event of inconsistency between these Conditions of Carriage and our Regulations, these Conditions of Carriage will apply.

ARTICLE 3: TICKETS

3.1 TICKET AS PRINCIPAL EVIDENCE OF CONTRACT

3.1.1 The Ticket constitutes prima facie evidence of the contract of carriage between us and the Passenger named on the Ticket. We will provide carriage only to the Passenger named on a Ticket (or holding, as proof of payment or part payment, any other document) issued by us or our Authorised Agent. The Ticket is and remains at all times the property of the Carrier that issues it.

3.1.2 Identification of Passengers

We will require you to produce appropriate identification to prove you are the Passenger named in the Ticket before allowing you to board our flight.

3.1.3 Valid Ticket Required for Carriage

Except in the case of an Electronic Ticket or unless authorised in writing by us, you shall not be entitled to be carried on a flight unless you present us with a Ticket that is valid and has been duly issued in accordance with our Regulations. The Ticket must contain the Flight Coupon for that flight, all other unused Flight Coupons and the Passenger Coupon. In addition, you shall not be entitled to be carried if the Ticket presented is mutilated or if it has been altered by anyone other than us or our Authorised Agent.

In the case of an Electronic Ticket, you shall not be entitled to be carried on a flight unless you provide positive identification and an Itinerary/Receipt which is valid and duly issued in accordance with our Regulations and contained in our database.

3.1.4 Loss or Mutilation of Your Ticket

If your Ticket (or any part of it) is lost or mutilated, or you do not present a Ticket containing the Passenger Coupon and all unused Flight Coupons, the issuing Carrier may at the Passenger's request and subject to the Carrier's Regulations replace the Ticket (or any part of it) by issuing a new Ticket, on proof satisfactory to the Carrier, that a Ticket valid for the flight(s) in question was duly issued, and the Passenger agrees to such form as may be prescribed by the Carrier to pay any costs and losses reasonably incurred by us or the other Carrier resulting from the misuse of the Ticket. The issuing Carrier may require you to pay up to the full Ticket price for a replacement Ticket, subject to refund if

and when the issuing Carrier is satisfied that a Ticket was issued, paid for and not used before the expiry of its validity. The issuing Carrier may levy a reasonable administration charge for replacing the Ticket in accordance with the Regulations.

A Ticket is valuable and you should take appropriate measures to safeguard it and ensure it is not lost or stolen.

3.1.5 Ticket not Transferable

A ticket is issued to you personally and is not transferable. You must not give it to anyone else to use.

3.2 PERIOD OF VALIDITY

3.2.1 Except as otherwise provided in the Ticket, these Conditions of Carriage or our Regulations, or in any tariffs which apply to your Ticket, your Ticket is valid for:

- (a) one year from the date it was issued; or
- (b) one year from the date you first travelled using the Ticket, as long as your first flight took place within a year of the ticket being issued.

3.2.2 Extension of Validity

We will extend the validity of your Ticket for a period of three months from the date it expires if you are prevented from travelling within the period of validity of the Ticket for any of the following reasons:

- (a) we cancel the flight on which you hold a reservation;
- (b) we omit a scheduled stop, being your place of departure, place of destination or a Stopover;
- (c) we fail to operate a flight reasonably according to schedule;
- (d) we cause you to miss a connection;
- (e) we substitute a different class of service; or
- (f) we are unable to provide previously confirmed space.

3.2.3 When you are prevented from travelling within the period of validity of the Ticket because at the time you request a reservation we are unable to provide space on the flight, the validity of such Ticket will not be extended unless otherwise provided in our Regulations.

3.2.4 If after commencing your journey, you are prevented from travelling within the period of validity of the Ticket because of illness, we will extend the validity of your Ticket until the date when you become fit to travel according to a medical certificate, or until our first flight after such date from the point where the journey is resumed on which space is available in

the class of service for which the fare has been paid (provided such extension is not precluded by our Regulations applicable to the fare paid by you).

When the Flight Coupons remaining in the Ticket, or in the case of an Electronic Ticket, the Electronic Coupons, include one or more Stopovers, the validity of such Ticket, subject to our Regulations, will be extended for not more than three months from the date shown on the medical certificate. In the event of an extension pursuant to this paragraph, we will similarly extend the period of validity of Tickets of other members of your immediate family accompanying you.

3.2.5 In the event of your death during your journey, the Tickets of the persons accompanying you may be modified by waiving any minimum stay requirement or extending the validity. In the event of a death in your immediate family once you have commenced your journey, the validity of your Tickets and those of your immediate family accompanying you may be likewise modified. Any such modification shall be made upon receipt of a proper death certificate and any extension of validity shall not be for a period longer than forty-five (45) Days from the date of the death.

3.2.6 If you have a non-refundable ticket, which is completely or partially unused and you are prevented from travelling due to Force Majeure, provided that you promptly advise us and furnish evidence of such Force Majeure, we may provide you with a credit voucher equivalent to the value of the unused portion of the non-refundable fare, if any, for future travel with us, subject to deduction of a reasonable administration fee.

3.3 COUPON SEQUENCE AND USE

3.3.1 We will honour Flight Coupons, or in the case of an Electronic Ticket, Electronic Coupons, only in the sequence provided in the Ticket.

3.3.2. The Ticket you have purchased is valid for transportation from your point of origin, via any Stopover or Agreed Stopping Place as shown in your ticket. The fare you have paid is calculated on the basis of the entire journey shown on the Ticket. Should you wish to change your journey you must contact us in advance. The fare for your new journey will be recalculated and you will be given the option of accepting the new price or maintaining your original journey as ticketed. Should you change your journey without our agreement we reserve the right to assess the correct fare for your actual travel and collect from you any difference between the fare you have paid and the fare applicable for your revised journey. We will refund a difference if your new fare is lower.

3.3.3 Please be aware that while some types of changes will not result in a changed fare, others such as changing your point of origin or reversing the direction you travel can result in an increase in price. Many special fares are valid only on the dates and flights shown on the Ticket and cannot be changed except upon payment of an additional fee.

3.3.4 Each Flight Coupon, or in the case of an Electronic Ticket, each Electronic Coupon, will be accepted for carriage in the class of service specified in these coupons on the date and flight for which space has been reserved. When these coupons are issued without a reservation being specified, we will reserve space upon your request subject to the conditions of the relevant fare and the availability of space on the flight requested.

Our name may be abbreviated to the MH Airline Designator Code on the Ticket. If any Charges which you have paid to us at the time we issue the ticket are abolished or reduced such that they no longer apply to you, or a lesser amount is due, you may be entitled to claim a refund from us.

5.5 CURRENCY

You must pay the fare and any taxes, fees, charges and surcharges in the currency of the country in which the Ticket is issued, unless we or our Authorised Agents say you must use another currency at or before the time you pay. 9.4.1 Upon delivery to us of your Baggage for check-in, we shall take custody of the Baggage and issue a Baggage Identification Tag for each piece of Checked Baggage.

9.4.2 It is your responsibility to ensure that your Baggage is adequate and correctly labeled for the purpose of identification.

9.4.3 We will carry your Checked Baggage on the same aircraft as yourself, unless we decide for safety, security or operational reasons to carry the Checked Baggage on another flight on which space is available. In such event, you shall be entitled to compensation for delay to the extent provided in the Convention or Code, or otherwise in these Conditions of Carriage, unless the reason the Baggage could not be carried on our flight is due to late check-in or other factors within your control. This paragraph shall not apply to Baggage in excess of the free baggage allowance, carriage of which is subject to our Regulations.

9.5 FREE BAGGAGE ALLOWANCE

We will carry some of your Baggage free of charge. Your free baggage allowance will be shown on your Ticket, or in the case of an Electronic Ticket, on your Itinerary/Receipt and will depend on our Regulations applying at the time of your flight. If you are in doubt, please ask us or our Authorised Agents for details of your free baggage allowance.

9.6 EXCESS BAGGAGE

We reserve the right to refuse to carry Baggage that exceeds the free baggage allowance. Baggage in excess of the free baggage allowance will be carried at our discretion subject to space and weight limitations. You must pay a charge for the carriage of Baggage in excess of the free baggage allowance including Unchecked Baggage retrieved from you at any time up to the time of boarding the aircraft at the rate and in the manner provided in our Regulations. We may raise this charge at the point of your departure, stopover or destination.

9.7 EXCESS VALUE DECLARATIONS AND CHARGES

You may declare a value for Checked Baggage in excess of the applicable Convention liability limits. If you make such a declaration, you must pay additional charges in accordance with our Regulations.

9.8 UNCHECKED BAGGAGE

9.8.1 Any Unchecked Baggage must fit under the seat in front of you or in an enclosed storage compartment in the cabin. Items that cannot be stored in this manner, or items that we consider of excessive weight or size, or of an offensive nature, will not be permitted in the cabin.

9.8.2 Objects that we consider unsuitable for transportation in the cargo compartment (including delicate musical instruments and the like) will only be accepted for transportation in the cabin compartment provided we have given our permission in advance. You must pay a charge for the transportation of such objects in accordance with our Regulations.

9.9 COLLECTION AND DELIVERY OF BAGGAGE

9.9.1 You must collect your Baggage as soon as it is available for collection at your destination or Stopover. If you do not collect your Baggage within a reasonable period of time, we may charge you a fee for storing it.

9.9.2 Only the bearer of the Baggage Check and Baggage Identification Tag is entitled to delivery of the Baggage. Failure to produce the Baggage Identification Tag shall not prevent delivery provided the Baggage Check is produced and the Baggage is identified by other means.

9.9.3 If a person claiming Baggage is unable to produce the Baggage Check or a Baggage Identification Tag, we will deliver the Baggage to such person only on condition that he or she establishes to our satisfaction his or her right to the Baggage, and if required by us, indemnifies us for any loss, damage or expense which we may incur as a result of such delivery.

9.9.4 Acceptance of Baggage by the person bearing the Baggage Check without complaint at the time of delivery creates a presumption that the Baggage has been delivered in good condition and in accordance with the contract of carriage.

9.10 UNCLAIMED BAGGAGE

If you do not claim your Baggage within three (3) months from the day we make it available to you, we are entitled to presume that you have abandoned the Baggage and we may dispose the Baggage without any liability to you.

9.11.1 Subject to our advance permission and Regulations, we will accept animals such as dogs, cats, household birds and other pets for carriage when properly crated and accompanied by valid health and vaccination certificates, entry permits, and other documents required by countries of entry or transit.

9.11.2 If accepted as Baggage, the animal, together with its container and food carried, shall not be included in your free baggage allowance but shall constitute excess Baggage for which you must pay the applicable charge. Animals must be carried in the cargo compartment of the aircraft, and are not allowed in the passenger cabin.

9.11.3 Subject to our Regulations, guide dogs accompanying sight or hearing impaired Passengers, together with containers and food, will be carried free of charge in addition to the free baggage allowance.

9.11.4 Our acceptance for carriage of animals is subject to the condition that you assume full responsibility for the animals. Where carriage is not subject to the liability rules of the Convention, we will not be liable for injury to, loss of, delay of, sickness of or death of the animal except in the case of our own negligence.

9.11.5 We will have no liability for any such animal not having the necessary exit, entry, health and other documents necessary or convenient with respect to the animal's entry into or passage through any country, state or territory and the person carrying the animal must reimburse us for any fines, costs, losses or liabilities reasonably imposed or incurred by us as a result.
